RE: Security Clearances for Committee Staff

Per our conversation this morning, and in response to John McMahon's letter to Chairman Roth of July 19, 1984, I have compiled the following information for your files. This may be verified with Mr. Calvin Wood of the Personnel Security Clearance Section at the Department of Energy.

[REDACTED]

It is my understanding that these Q clearances from DoE entitle the holders to top secret clearance for National Security Information.
